

2006-2007  
STAUNTON ELEMENTARY SCHOOL  
GRADE SIX SUPPLY LIST

The following books and supplies will be needed by your child. The class texts are the ones for which rental is paid. Small supplies and workbooks must be bought since these materials are the personal property of the child. The teacher will supply these books and materials upon payment of the stated amount of money.

A physical education lock and locker key deposit of five dollars is charged. Two dollars will be refunded if the student returns the same lock and key at the end of the school year.

Students should bring only the following items to school:

- |  |   |                        |
|--|---|------------------------|
| _____ 5 Spiral Bound Notebooks                           | _____ Colored Pencils                       | _____ Scissors         |
| _____ Felt Markers                                       | _____ Compass                               | _____ 1 Box of Kleenex |
| _____ Glue Stick   | _____ Art Shirt                             | _____ Eraser           |

Student accident insurance can be purchased in the school office during registration. This is an optional purchase that is provided as a convenience for parents.

The costs and available policies are explained in the pamphlets provided during student registration. If you purchase student accident insurance, be sure and keep a copy of the pamphlet describing coverage.

Students who participate in school sponsored athletics must have accident insurance. If a participant is covered by a policy and does not desire to purchase the school accident insurance, the parents must sign a waiver indicating the student is covered by a policy other than the policy being offered at school.
